The number one root of all illness,  
as we know, is stress.

Stress is the negative whirlwind of emotions  
that gets imposed on top of our

# Rain

Welcome the emptying of the clouds  
with arms wide open.

The Rain mode lets you enjoy an extra-large, overhead shower zone for a complete body bath. With pearls of water streaming from every jet on the large showerhead, the Rain mode's generous coverage is as rejuvenating as the monsoon's first downpour.

# Intense

Feel the drums of the rain gods  
play a thrilling tune on your skin.

Concentrating a powerful flow of heavy drops into a small area from the central jets, the Intense mode is spread perfectly to fall on your head and shoulders, and relax and recharge you in minutes.

# Mist

Lose yourself in the kiss of  
a million droplets a minute.

Special nozzles recreate the joy of being in a cloud as the Mist mode's floating blanket of feather-touch droplets gently covers you with freshness. Mist spray is created by forcing water through tiny holes, and this mode is great not just for relieving stress, but also for hot summer days or after a long, hard work-out.

Massage  
The joy of pulsating aquapressure.

The massage mode uses a special revolving nozzle that sends out water in intermittent pulses. Spinning, spiral columns of water land on the body milliseconds apart to create a drumming effect on the skin and muscles. This promotes blood flow, and the invigorating pressure relaxes and revives the body like only a massage can.

# Chromotherapy

Rainjoy+ also features Chromotherapy lights controlled by a waterproof, cordless remote to let you pick a relaxing colour or switch to an energising, pulsating, multi-colour experience.

# Two kinds of Rainjoy+

## Oval | Square

Featuring clean, aesthetic lines and an unobtrusive design, both models of Rainjoy+ use a larger-than-life size to envelop you with sensations that aim to relax the muscles, restore calmness and repair the damage caused by daily life's stresses and strains. And leave you feeling revived, recharged and rejuvenated.
